The world needs play.®

THE WORLD NEEDS PLAY
So we've made it
OUR LIFE'S WORK.

Almost 20 years ago, I returned home with my freshly minted college diploma, excited to begin my professional career in the family business. Which meant starting on the shop floor. My job was to learn the ropes. My work attire was jeans, a t-shirt, steel-toed boots, and safety glasses. My days began at 5:00 in the morning.

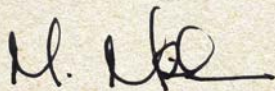

One day after working a punch press all morning, my frustrations peaked. So at break time I went up to my father's office. "Dad, how many tubes do you think I need to press before you think I understand this?" I can remember his answer as if it were yesterday. Actually, he didn't say a word. He just gave a simple, patient smile that said it all — *if you knew, you wouldn't need to ask.*

With each passing year I understand my father's response with a deeper appreciation. There is no shortcut to quality, especially for a family-run business. It's not about operating a punch press. It's about understanding the collective efforts of every employee. That's how you build a company that endures.

In an age when companies change ownership several times a decade, we're proud of our family heritage. For over 40 years and three generations, we've taken everything we've learned and focused all of our energies on building the world's best play spaces for you and your children. We look forward to the opportunity to work with you. We're excited to share our deep commitment to providing the very best play experience and for you to discover why...

THE WORLD NEEDS PLAY.

Sincerely,

Matthew Miller
CEO, Playworld Systems, Inc.

Children's Choice Learning Center *Memphis, TN*

For most pre-schoolers, your playground is their first home away from home, the place where they first engage with other children and with the world at large. That's no small responsibility — and it's one we take very seriously in every playground we build:

- Open designs provide a continuous line of sight for easy supervision
- Developmentally appropriate activities are designed just for ages 5 and under
- Physical activities build balance, strength, and fine- and gross-motor skills
- Imaginary play activities promote cognitive and social development
- Flexible designs pack plenty of play value into any size space or budget

PLAYTOWN **NEW**

PlayTown was designed by starting with Early Childhood Learning standards. The activities support and reinforce classroom learning in an outdoor environment, while encouraging imagination and cooperation. PlayDesigns knows what Early Childhood Care providers need to succeed, and PlayTown delivers.

SUMCD Lewisburg Children's Center Lewisburg, PA

{ PLAYTOWN }

Playground ZZXX0474 **NEW**

Back view

- A fun slide and two different ways to climb up build gross motor skills
- Ball-slider promotes fine motor skills

2-5

 21' 7" x 20' 1"
 (6,58m x 6,12m)

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Nature Station ZZXX0476 **NEW**

- Flowers, grass and recycling graphics create the perfect space to learn about science and the environment
- Wheelchair accessible work surface and bench allow everyone to work together
- Accessories that complement your teaching concepts such as bird feeders or chimes (not included) can be hung from the roof

2-5

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Graphics can be used to hang recycling bags or garden tools (not included)

Play House ZZXX0481 **NEW**

- Play house gives every pre-schooler a space to roleplay being a family
- Children recognize familiar graphic elements that suggest home, such as a kitchen and living room
- Windows are a perfect place to socialize and greet neighbors

2-5

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

All play equipment must be installed over an impact-absorbing surface.

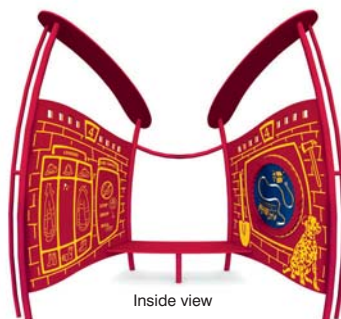

Fire House ZZXX0471

NEW

- Help the fire truck get to the burning house by rotating a maze panel, and practice hand-eye coordination skills at the same time
- Plenty of controls to interact within the control room - clickers, levers and spinners all keep children in control

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Inside view

Fire Truck ZZXX0470

NEW

- Two steering wheels for pint-size firemen to drive to the imaginary fire
- Ladders, lights and windows promote creative thinking and an understanding of the use of tools

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Fire Hose Climber ZZXX0472

NEW

- Themed, safe and non-conventional climber can be engaged in many different ways (over and through) to build balance and coordination

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

To see videos of PlayTown, visit PlayworldSystems.com/PlayTown

{ PLAYTOWN }

Toll Booth ZZX0478 **NEW**

- Socialize and engage with your friends as you drive thru and pay your toll
- Set different fare prices by spinning the numbers under the window
- Reinforces the understanding of money transactions and the concept of basic addition and subtraction

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Gas Station ZZX0477 **NEW**

- Children with ride-on toys can pretend to re-fuel or pull in to the garage
- Two sets of number spinners allow children to change the price of gas while introducing the concept of basic addition and subtraction

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Flower Climber ZZX0479 **NEW**

- Safe, fun and easy to engage; children will love climbing up, over and through
- Children practice control and balance and become aware of their body position in space

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

PLAYWORLDTAGS.COM/1245

Butterfly Climber ZZX0480 **NEW**

- Gives children a fun and safe place to practice their balance and coordination skills
- Hand-eye coordination improves as they use the handholds in the butterfly wings
- Encourages children to socialize and negotiate to pass one another
- Each colorful butterfly sold separately

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

School House ZZX0473 **NEW**

- Perfect stage to recreate what children have learned in the classroom
- Learn about primary and secondary colors by rotating the color wheel
- Practice telling the time when you rotate hands on the clock
- Spell your name and practice addition using the sliders
- Chalkboard and two easels with clips are the perfect background for an art display
- Two benches, and graphics of shapes and seasons add to the school atmosphere

Back view

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Music Store ZZX0475 **NEW**

- Buy and sell instruments or be part of the band as you play a concert together
- Music instruments include a 'rain wheel', two drums, bell and two chimes with strikers
- Encourages interactions and role playing, and appreciation for different types of music and performance arts

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Moon Rock Climber ZZX0148 **NEW**

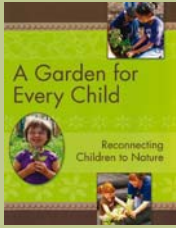

- Designed to be challenging and age appropriate at the same time
- Children can climb, crawl, jump and hide
- Discover a universe underneath! Space theme graphics spark imaginations; find images of the solar system, space stations, rockets, and more!
- Great place for children to escape from the noise and find some quiet time from overstimulation

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

ORIGINS™ GardenScapes

Nature's always been a part of your lesson plans. GardenScapes gives you a way to literally bring it to life. Experts agree that direct, sustained contact with nature is the best way to cultivate environmental knowledge and ethics in children. Our GardenScapes elements make it easy for schools to create immersive learning opportunities about plants – and our planet – throughout your playspace.

Every order that includes GardenSoxx® also receives a FREE Programming Guide with lesson plans.

GardenSoxx is a registered trademark of Filtrixx® International, LLC. All rights reserved.

PLAYWORLDTAGS.COM/1241

GardenSoxx® ZZXX0442

The fun and virtually maintenance-free way to build a garden.

- Specially designed mesh “socks” filled with organic compost (yard waste only)
- Cut small holes into the mesh to plant seeds or plants (not included) and watch them bloom
- Order extra GardenSoxx to complete your playspace
- Create your own configuration—lines, circles, mazes—the possibilities are endless
- Can be installed on any surface, including concrete and asphalt
- Available in 2' (0,61m) or 3' (0,91m) sections

Back view

Side view

Garden House ZZXX0432

Little ones can socialize as they learn to care for the house and garden.

- Developmentally appropriate play events for toddlers
- Encourages pretend play and helps build social skills
- Includes six 2' (0,61m) and two 3' (0,91m) GardenSoxx®

Garden Arches

Build a shady arbor for learning or an imaginative tunnel for exploration.

- Creates a make-believe “cave” or “forest” for imaginative play
- Provides an opportunity to teach kids about plants and nature: How do plants grow? Why do we need to water them? How can we help them grow?
- Each size includes GardenSoxx®

- A Small ZZXX0433
- B Medium ZZXX0434
- C Large ZZXX0435

Garden Beds

Introduce children to plants and gardening with these accessible teaching tools.

- Available in four sizes, all elevated for wheelchair accessibility
- Ideal for all ages, from toddlers to older adults
- Promotes gardening and nature learning and builds social skills
- Each size includes GardenSoxx®

- D** Small ZZXX0437
- E** Medium ZZXX0438
- F** Large ZZXX0439
- G** X-large ZZXX0440

Garden Gates ZZXX0444

The towering, flowering entrance welcomes children into the world of learning.

- Provides an entryway to your playspace, park or garden
- Each side of the arch has a bench where kids, parents and grandparents can socialize
- Vines can be grown to cover the entire arch and complement your natural surrounding
- Includes four 2' (0,61m) GardenSoxx®
- Customizable plastic and steel panels available

Garden Bench ZZXX0441

Create an outdoor classroom or a comfy spot for one-on-one learning.

- Curved design can be used around a tree, as a "tree hugger" bench
- Detailed pattern complements any natural setting
- Available in your choice of superdurable, PVC-free, Eco-Armor® colors

{ ORIGINS™ }

Boulders

Cave Boulder ZZBD0024

Give kids a secret hideaway for pre-historic pretend play.

- Features a large opening in the front and small "window" in the back for easy supervision
- Unique angles encourage safe risk-taking for kids to climb up and over

Bench Boulder ZZBD0012

Great for all skill levels.

- Easy-to-climb activity for younger children
- Natural alternative to commercial seating

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Picnic Boulder ZZBD0013

The wide, flat surface is great for hanging out with friends

- Built-in cave allows for easy wheelchair access
- Will also connect to your playstructure

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Rock Log ZZBD0027

The flex-design lets you turn it into a balance beam, a bridge, or a bench.

- Promotes fitness and social play: Kids can sit, walk, climb and jump into a new adventure
- Looks like a real wood log, but without the maintenance worries of one

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Boulder Creek ZZBD0025

Add accessible water play without any special installation or maintenance!

- Add water by easily attaching a hose onto the self-closing valve
- Water flows down the side of the Boulder to create a waterfall effect kids will love
- Fun details like lobster and turtle friends encourage imaginative play
- Also available in an in-ground mount version

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

Water flows through creek!

PLAYWORLDTAGS.COM/1242

{ ORIGINS™ Diggables }

The hands-on digging and scientific discovery turn pre-schoolers into pint-sized archeologists.

Diggables Raptor Rock Tail and Raptor Rock Head

Diggables Fossil Jam

- Bring a new element of discovery to sandboxes
- Even better than picture books: Kids can unearth replicas of dinosaur fossils, shells, plants and more right in their sandbox
- Made of superdurable PolyFiberCrete® to withstand tough play and harsh weather

- A** Raptor Rock Tail ZZXX0060
- B** Raptor Rock Head ZZXX0059
- C** Fossil Jam ZZXX0061

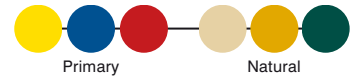

ASTM F1487 CPSC Pub.325 CAN/CSA-Z614 EN1176

INFANT FUN CENTERS™

CLASSIC PLAY

Kids are sure to have a field day with this fun array of freestanding play equipment. They'll take a ride on the tummy-tickling slides and seesaws - then build a sense of self and discovery while swinging high and low on a swing. It's the classic play that we all remember. To see more, visit PlayworldSystems.com/EarlyChildhood.

{ INTRODUCING OUR NEW WEBSITE }

You spoke and we listened! We asked many customers like you how we could improve our website, from layout all the way to functionality. Thanks to your excellent feedback, PlayworldSystems.com has been completely overhauled! A few of these great changes are listed below, but the best way to experience it is to just dive right in. So log onto PlayworldSystems.com today.

- **ROBUST PRODUCT SEARCH**

With multiple ways to search for products, finding the right options to fit your space, age and budget requirements is easy.

- **COLOR SELECTION**

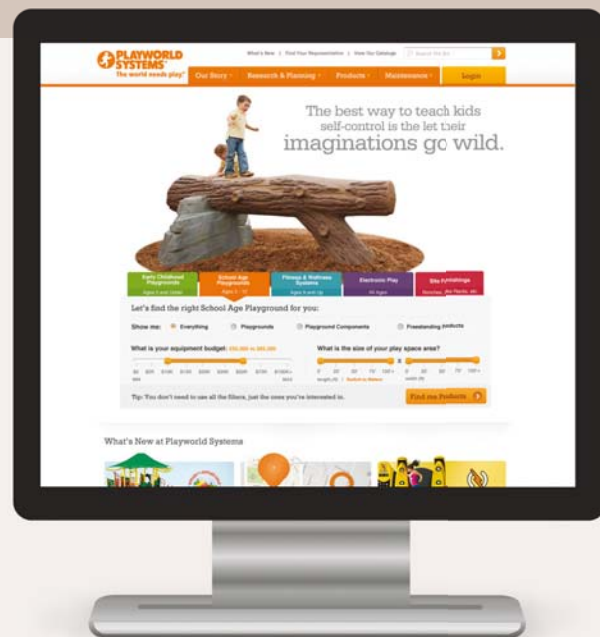

Each playground is shown in four different color palettes. Simply select the one that's right for you.

- **MY WISH LIST**

Save your favorite products to your own personal wish list. Share your list with others via email or Facebook.

- **MAINTENANCE PARTS PROGRAM**

Submit your request online, and as always, we'll respond to you within one business day – guaranteed!

Find all of these features and more at
PlayworldSystems.com

CUSTOM COLOR PALETTES

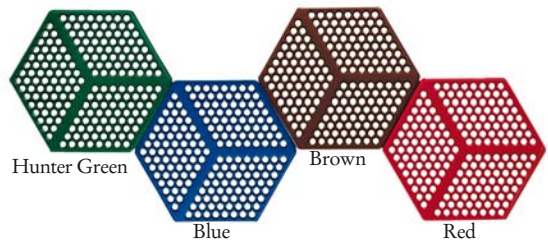

Playworld Systems makes it easy to personalize your playspace with colors that reflect your community pride, boost school spirit, or complement your surrounding architecture and environment.

Component & Post Colors

Playworld Systems uses Superdurable Polyester Powder Coating, which uses enhanced, light-stable pigments for superior UV stability and fade resistance.

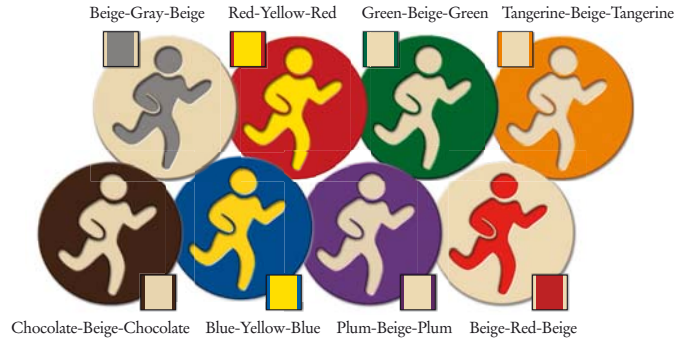

Eco-Armor® Colors

Playworld Systems is proud to have eliminated 99.999% of PVCs from our products with Eco-Armor, our more durable, PVC-free, thermoplastic Polyethylene (PE) coating.

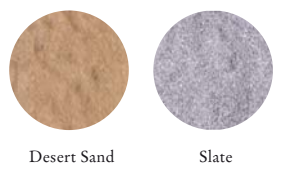

Two-Color Plastics

Front view shown. Side view inset.

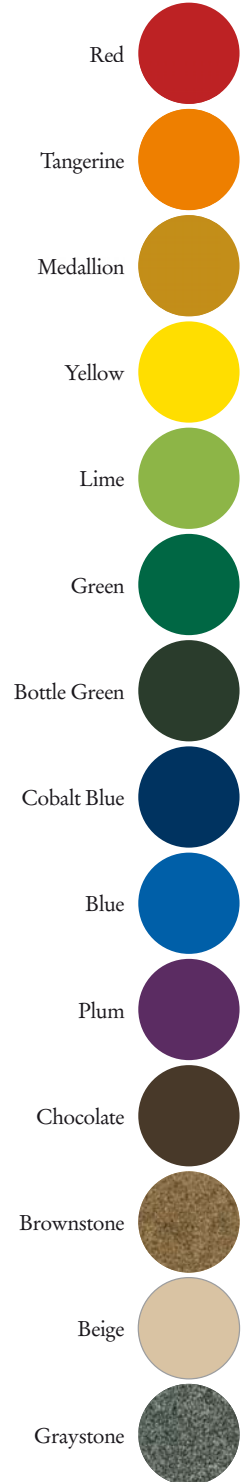

Origins™ Boulders Colors

Rotomolded & Sheet Plastic Colors

Graystone, Brownstone, Bottle Green, and Chocolate are only available in rotomolded plastic.
